Meaningful Giving. Inspired Change.

**ICF is an international nonprofit organization**, which seeks to inspire international charitable giving by U.S. donors, particularly those with an interest in Northwest Mexico, to strengthen civil society and promote sustainable communities.

#### OUR IMPACT

**For over 25 years, ICF has been the nonprofit foundation of choice for U.S. donors** who are passionate about improving the quality of life for the communities they care about.

**Since 1990, ICF has granted over USD\$61 million** to carefully vetted education, health and environmental initiatives in Latin America, particularly Baja California and Northwest Mexico.

**In 2015, ICF's total assets reached \$21 million** across 180 funds, which allows ICF to have both an immediate and a long-term positive impact on the communities where we work.
